#### MY PET IGUANA

My name is Peter and this is my pet iguana, Rosalita. Rosalita looks like a big lizard. Iguanas come from South America and Central America, I got mine in a pet shop. Iguanas are one of the most popular pet reptiles.

Rosalita is a green iguana. Green iguanas are small when they are born. They weigh about 12 grams; but when they are adults, they can weigh up to 8 kilograms!

Rosalita lives in an aquarium. I always give Rosalita her food at night. She eats broccoli, green beans and other vegetables. In the morning, I give her fresh water.

I love my iguana. I think Rosalita is a fantastic pet!
